

INT. MINI STELLAR SPACE SHIP – DAY

Inside a sleek chrome mini stellar space ship. ZORA sits in the center of the bridge. Her chair has a control pad on it. JAY- JAY, 3 and husky sits in front of Zora with at a desk with a wheel, several buttons and dials.

ANT, 5 and muscular sits to the left of Zora, His station is full of button and projections of weapons and probes. CHELSEA, 4 the smallest of the bunch, sits to the right of Zora. Her station has information about everyone health.

A blueish silver ROBO BUDDY shakes as he stands in a corner.

ZORA

Okay, lets make space babies history. Commander Jay-Jay turn right at the little dipper. Security Office Ant stay alert for stray asteroids.

JAY-JAY

But I want to go left. The galactic dawns are setting up. Then we can go...

Ant clears his throat and Zora turns her attention to him.

ANT

Stray asteroids what about pirates or queral bees. We should launch probes to see if anything is out here.

Doctor Chelsea runs over and sprays Jay-Jay with germ protector. Jay-Jay spits and coughs. Ant stares Chelsea down before she can spray him and she walks away.

ZORA

What are you doing doctor?

CHELSEA

No one used their cleanse, what if we encounter a new nasty space gemy. Why am I the only one wearing the protective suite.

ZORA

Pay attention crew.

Robo buddy rolls back and forth in front of the window.

ROBO BUDDY

(repeats)

We are going to crash.

ZORA

Listen to me I am the captain.

Jay-Jay laughs and points at Robo Buddy. A red light blinks at his station but he does not notice it. An asteroid, hits the ship and everyone falls out of their chairs.

COLONEL (V.O)

Mission failure. Return to base.

INT. SPACE BABIES TRAINING center – DAY

COLONEL a tall female in a silver military uniform stands in front of Zora, J Jay-Jay, Ant, Chelsea and Robo Buddy.

COLONEL

I have never scene a team run into an asteroid.

ZORA

I told Ant to keep a look out for them Colonel.

COLONEL

Captain Zora, you and your crew will never become space babies if you do not learn teamwork.

The Colonel walks out the room.

INT. GALACTIC SPACE BRIDGE - DAY

Zora walks onto a bustling bridge. People in silver space suits stand a various stations. Zora bounces up and down as she walk over to her Zena.

ZENA

I heard things did not go well.

ZORA

No one would listen to me.

Zena

I good captain listens to their crew and uses please and thanks you's.

ZORA

Why should I, I am the captain.

ZENA

*Handwritten signature*  
**PRODUCTIONS & MEDIA**

You see all the crew, if they did not do their job I could not do mine. You are only a captain if you have a crew. Do you understand?

Zora shakes shakes her head.

ZENA

It will be okay, you guys just need a little more practice.

Zack winks at Zora as he walks by with two other crew members holding crystals that projects a swarm, of space ladybugs, and a wormhole.

Zora taps her watch and sends a message to the crew.

INT. PSI 5 SHIP – NIGHT

Zora, Jay-Jay, Ant, Chelsea stand in front of the Psi 5 with wide eyes.

ZORA

Open Psi 5.

As they walk onto the ship the lights come on.

PSI 5

Welcome Zora, and friends. Are your parents coming?

ZORA

Not this time.

PSI 5

What would you like to do?

ZORA

Run mission simulation space babies.

PSI 5

Coming up.

The ship transforms into a mini stellar ship. Chelsea and Jay-Jay look around with their mouths open.

ZORA

Take your stations. We just need a little practice.

Zora sits in the captain's chair, Jay-Jay take the wheel, Ant sits at the security station and Chelsea stands at the science station.

PSI 5

Space Babies mission 5, 4, 3, 2, 1, begin.

The screen fills with stars.

ZORA

Here we go. Commander Jay-Jay go to the little dipper.

JAY·JAY

Which way captain?

ZORA

Right, left, up, or down you decide.

Jay-Jay smiles and punches all the buttons. The ship jerks and zig-zags.

ZORA

Security Officer Ant keep a look for everything.

ANT

Can I launch a probe.

ZORA

Absolutely.

ANT

Psi 5 launch all the probes

PSI 5

Probes launched

The ship begins to shake.

PSI 5

Asteroid belt ahead.

ZORA

Commander Jay-Jay we need to stop zigging and zagging.

JAY·JAY

I pressed to many buttons.

ZORA

Security Officer Ant can you shoot some of the asteroids.

ANT

No, I launched too many probes I cannot shoot.

Asteroids hit the ship and it rolls. Everyone falls out of their seats. The ship rolls back over, arms come up from the floor and pick everyone up and place them back in their chairs.

CHELSEA

Is everyone okay.

Ant/JAY·JAY

Yeah.

Chelsea runs over and checks everyone.

ZORA

I guess we should have put on our protective suites after all.

CHELSEA

Maybe next time you can tell us what to do captain.

ZORA

That is a good idea.

Zora stands as Jay-Jay, Ant, and Chelsea all take their seats.

ZORA

Psi 5, please restart the simulation.

PSI 5

Space Babies mission 5, 4, 3, 2, 1, begin.

ZORA

Commander Jay-Jay please go left to the little dipper.

JAY·JAY

Yes captain.

INT. PSI 5 SHIP – NIGHT

The ships flies past the little dipper.

PSI 5

Space Babies mission complete.

ZORA

Good work team. Now we are ready for the real test.

Chelsea, and Jay-Jay cheer. Ant stands in the corner with his arms folded.

ANT

Maybe we should practice one more time.

CHELSEA

We need to all get some sleep before our final test.

JAY·JAY

Yeah I am sleepy.

Psi 5

Space ladybug swarm approaching, evacuate the ship.

CHELSEA

Oh my, I have heard about space ladybugs. I bet they are just lovely.

ZORA

We should listen to Psi 5.

The ship CREAKS as three space lady bugs land on it. Ant, Jay-Jay and Chelsea run over to the large window and stare at the ladybugs.

JAY·JAY

They are so cool.

ZORA

Come on guys we need to get some sleep.

The ship pulls away from the space station.

PSI 5

There is too much wait on the ship.

ZORA

Guys lets go.

Ant pulls Chelsea and Jay-Jay away from the window towards the door.

ANT

You heard the captain.

ZORA

Psi 5 open the door.

PSI 5

Our dock is not secure. I can not open the doors.

ZORA

Strap in every baby.

The ship shakes and HUMS as the space ladybugs flap their wings. Chelsea, Jay-Jay and Ant sit at their stations and buckle their seat belts.

ANT

We can stun them.

CHELSEA

NO, we can't. They don't mean to make the ship shake they just need a place to rest.

Zora stares at the space ladybugs.

JAY·JAY

Captain what should we do.

Zora starts to breath heavy and tears roll down her face.

CHELSEA

Zora are you okay.

The HUM gets louder and everyone covers their ears. Zora falls and hits the launch button.
